FOR IMMEDIATE RELEASE

**SELECT KEY HOLDER'S® UPGRADED FLEET OF SURVEILLANCE VEHICLES
RESPONDS TO INCREASED DEMAND IN CT & NY**

Greenwich, CT – October 30, 2007 – Select Key Holder's® (SKH) Vice President of Operations, Dwight H. Purdue said today that the residential estate and surveillance management company announced the addition of its new surveillance fleet vehicles, scheduled to hit the road in early 2008.

Mr. Purdue commented; "Select Key Holder's® is in the business of lightening fast response. When emergencies arise at a client's home, we require the most dependable fleet of vehicles to meet our discerning client's needs 24/7, 365 days a year." He added; "Currently our fleet consists of mainly Ford Escapes and Nissans. We are expanding the fleet due to customer demand." Dwight Purdue added; "Select Key Holder's® manages client's homes in two states and seven counties, not including New York City and the Hamptons. It is incumbent on us to have a plentiful supply of surveillance vehicles for our surveillance officers to do their job properly."

Select Key Holder's® conducts random surveillance on empty homes while its owners are away for periods of time on business and pleasure. "It has always been the company's goal to offer our clients the best support apparatus we can," said Mr. Purdue.
